MINUTES OF THE MEETING: SPRINT 2

1. To design the UI for the Website
2. To develop the html Pages
3. To design the app.

The screenshot shows a Google Meet window with a Visual Studio Code editor in the foreground. The editor displays the HTML code for a file named 'noChance.html'. The code includes a DOCTYPE declaration, meta tags for charset, viewport, and compatibility, and a link to a Bootstrap CSS file. The body of the document has a class of 'predict' and contains a flex container with a card. The card has a class of 'card' and a width of 18rem. It includes an image placeholder with the class 'card-img-top' and a source pointing to 'img/thumbsdown.gif'. The card also has a class 'card-body' and a class 'card-title'.

The participant grid on the right shows four participants: Sandesh Asokan, Praveen Rijal, Selvin Wellington A, and You. The status bar at the bottom indicates the time is 5:56 PM and the user is jwo-ncmd-khg.
