

TEAM ID	PNT2022TMID27598
PROJECT NAME	University Admit Eligibility Predictor
DATE	19-11-2022

MINUTES OF THE MEETING: SPRINT 2

1. To design the UI for the Website
2. To develop the html Pages
3. To design the app.

The screenshot shows a Google Meet window with a dark theme. At the top, a browser tab is open to 'meet.google.com/jwo-ncmd-khg'. Below the browser, a status bar indicates 'Praveen Rijal is presenting'. The main area is split into two parts. On the left, a Visual Studio Code editor displays the code for 'noChance.html'. The code includes a DOCTYPE declaration, HTML and head tags, meta tags for charset, compatibility, and viewport, a link to a Bootstrap CSS file, and a body class of 'predict'. The body contains a flex container with a card. The card has a thumbsdown.gif image and a card-body section. On the right, a grid of participant avatars is shown. The participants are Sandesh Asokan, Praveen Rijal, Selvin Wellington A, and You. The bottom of the window shows a status bar with the time '5:56 PM', the session ID 'jwo-ncmd-khg', and various meeting controls like mute, video, chat, and end call.
