Project Design Phase-II
Data Flow Diagram & student Stories

Date	11 November 2022
Team ID	PNT2022TMID27598
Project Name	Project - University Admit Eligibility Predictor
Maximum Marks	4 Marks

Data Flow Diagrams:

A Data Flow Diagram (DFD) is a traditional visual representation of the information flows within a system. A neat and clear DFD can depict the right amount of the system requirement graphically. It shows how data enters and leaves the system, what changes the information, and where data is stored

Data Flow Diagram for University Admit Eligibility Predictor
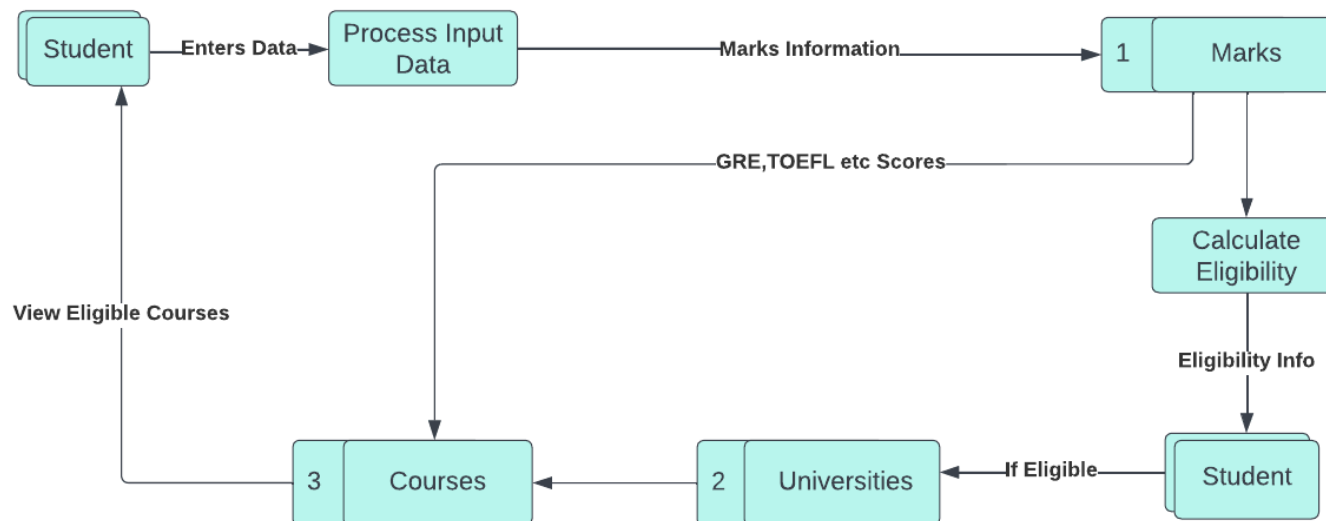

User Stories
